

Bryan M Maitland, PhD

Curriculum Vitae

1 June 2022

UW-Madison Aquatic Sciences Center
Goodnight Hall
1975 Willow Drive, Room 264
Madison, WI 53706-1177 USA

Mobile: +1-917-838-0174
E-mail: bmaitland101@gmail.com
Web: <https://bryan-m-maitland.netlify.app/>
Nationality: US Citizen

EDUCATION

- 2020 **PhD, Ecology.** Program in Ecology and Dept. of Zoology and Physiology, University of Wyoming.
Committee: Dr. Frank J. Rahel (Advisor), Dr. Bob Hall, Dr. Annika Walters, Dr. Merav Ben-David, Dr. Katie Wagner, Dr. Daniel Laughlin
- 2015 **MSc, Conservation Biology.** Department of Renewable Resources, University of Alberta.
Committee: Dr. Mark Poesch (Advisor), Dr. Axel Anderson
- 2011 **BS, Conservation Biology.** Department of Environmental Biology and Forestry, State University of New York, College of Environmental Science and Forestry.
Mentors: Dr. Charlie Hall, Dr. Don Stewart

APPOINTMENTS & EXPERIENCE

- 2020- **Wisconsin Water Resources Science-Policy Postdoctoral Fellow.** Co-appointed by University of Wisconsin-Madison & Wisconsin Department of Natural Resources.
Mentors: Drs. Alex Latzka and Jen Hauxwell.
- 2015-2020 **Graduate Research Assistant.** Department of Zoology and Physiology, University of Wyoming, field sites: Wyoming.
- 2013-2015 **Graduate Research Assistant.** Department of Renewable Resources, University of Alberta, field sites: northern Alberta, Banff/Jasper National Parks
- 2011-2013 **Fisheries Technician.** USGS Great Lakes Science Center, field sites: northern Lake Michigan, Sleeping Bear Dunes National Lakeshore.
- 2010-2011 **Research Technician.** SUNY—ESF Thousand Island Biological Research Station, field sites: Upper St. Lawrence River Seaway.

COMPETITIVE FUNDING (I have been PI or Co-PI on \$179,906 of successful grants since 2015)

- 2021 \$100,833. Wisconsin Water Resources Science-Policy Postdoctoral Fellowship, UW-Madison Aquatic Sciences Center & WI Department of Natural Resources.
- 2020 \$19,866. Novel Outreach and Education Grant, Biodiversity Institute. “Seeing the unseen: using video and in-stream sampling to make underwater landscapes and their biodiversity accessible and understandable to non-STEM audiences through the visual arts.” Co-PI Drs. Rahel & Frye.
- 2020 \$1,000. CO-WY American Fisheries Society Small Grant. Food web response to Tiger Muskellunge biocontrol in a Wyoming Reservoir: a multi-year perspective. PI

- 2019 \$22,000. Menken's Graduate Fellowship, University of Wyoming. Food web expansion and diet specialization along longitudinal stream gradients. PI
- 2019 \$1,000. CO-WY American Fisheries Society Small Grant. "Validating fin tissue as a non-lethal proxy to muscle tissue for stable isotope analysis in Wyoming Fishes." PI
- 2018 \$6,000. Ecology Grant. Biodiversity Institute, University of Wyoming. "Refining the use of stable isotopes in aquatic ecology: assimilation and discrimination of C and N in prairie stream fishes." PI
- 2017 \$4,000. Berry Graduate Research Grant. Biodiversity Institute, University of Wyoming. "Applying the isotopic niche to identify factors that influence the diversity of fish assemblages in Rocky Mountain–Great Plains rivers." PI
- 2015 \$25,207. Research Grant. Biodiversity Institute, University of Wyoming. "Factors that influence the diversity of fish assemblages in Rocky Mountain–Great Plains streams: a food web approach." Co-PI w Dr. Frank Rahel.

Invited, not awarded

- 2021 \$400,000. USGS MW CASC. Climate change and groundwater pumping impacts on Wisconsin trout fisheries. Co-PI with Dr. Olaf Jensen. (SOI invited).

AWARDS

- | | | |
|------|---------|---|
| 2021 | \$6,000 | Travel Award to AFS 2021, Baltimore. Wisconsin Chapter AFS |
| 2020 | \$1,000 | Conservation Research Grant. North American Native Fish Association |
| 2019 | \$2,500 | Dean's Graduate Scholar Award, University of Wyoming College of Arts & Sciences |
| 2018 | \$2,500 | Eugene Maughan Graduate Scholarship, Western Division AFS |
| 2018 | \$6,016 | Hank Gardner Physiology Graduate Scholarship, University of Wyoming |
| 2017 | \$500 | Clemens-Rigler Student Travel Grant, 2017 CCFFR conference, Edmonton, AB, CAN |
| 2017 | \$400 | Board of Visitors Award, University of Wyoming College of Arts & Sciences |
| 2017 | \$4,350 | Dennis Anderson Fisheries Award, University of Wyoming |
| 2017 | \$900 | William Trachtenberg Scholarship, Sustainable Fisheries Foundation |
| 2017 | \$6,200 | Vern Bressler Fisheries Award, University of Wyoming |
| 2015 | \$200 | Excellence in Fisheries at a Canadian Institution, AFS CARS |
| 2015 | \$600 | Clemens-Rigler Student Travel Grant, 2017 CCFFR conference, Yellowknife, NWT |

PROFESSIONAL SERVICE

Journal Referee (n=20 from 2016-2022; ~3 per year)

Oecologia, Freshwater Biology, Freshwater Science, Hydrobiologia, Journal of Ecology, Fisheries Research, Environmental Biology of Fishes, Restoration Ecology, PeerJ, River Research and Applications, Diversity and Distributions, Transportation Research: Part D.

Working groups

Member, Fisheries Working Group, *Wisconsin Initiative on Climate Change Impacts*, Nelson Institute for Environmental Studies and Wisconsin Department of Natural Resources (since 2021)
 Member, *Trout Species Team*, Wisconsin Department of Natural Resources (since 2020)
 Member, *Freshwater Working Group*, Society for Conservation Biology (since 2015)
 President, *UWyo Student Chapter*, American Fisheries Society (2016-2017)
 Ex Comm member, *CO-WY State Chapter*, American Fisheries Society (2016-2018)

Society memberships

American Fisheries Society – National (since 2010), Western Division (since 2015), North Central Division (since 2020), Wisconsin Chapter (since 2020), CO-WY Chapter (2015-2020), University of Wyoming Student Subunit (2015-2020), Canadian Aquatic Resource Section (2013-2015), New York Chapter (2010-2011), SUNY—ESF Student Subunit (2010-2011)
 Ecological Society of America – National (since 2015)
 Society for Conservation Biology – National (since 2010)
 Society for Freshwater Science (since 2016)
 Freshwaters Illustrated (since 2017)
 Galápagos Conservancy (since 2019)
 Association for the Science of Limnology & Oceanography (2016-2019)
 International Association of Great Lakes Research (2010-2016)

DEPARTMENTAL/UNIVERSITY SERVICE

2016-2020	Social Media Coordinator, Program in Ecology, University of Wyoming
2019	Member, faculty search committee, Dept. Zoology & Physiology, U Wyoming
2017-2018	Student representative, University of Wyoming Graduate Council
2016-2017	President, Program in Ecology, University of Wyoming
2015-2020	Student representative to faculty, Zoology & Physiology, University of Wyoming

TEACHING EXPERIENCE

Classroom instruction

Instructor, *Programing with R workshop*, Annual Meeting of the WI AFS, online (spring 2021)
 Instructor, *Aquatic ecology*, Wyoming Naturalists Program, Biodiversity Institute (spring 2021)
 Instructor, *Ichthyology*, University of Wyoming (spring 2020)
 Instructor, *Mixing models in R workshop*, Stable Isotope Ecology (fall 2018)
 TA, *Ichthyology*, University of Wyoming (springs of 2016-2020)
 TA, *Fisheries Management*, University of Wyoming (fall 2015)
 TA, *Fisheries and Wildlife Management*, University of Alberta (fall 2015)

Guest lectures

2020 *Aquatic Ecology*. General Ecology, Life Sciences Program, University of Wyoming
 2018-2020 *Application of stable isotope ecology to fisheries management*. Fisheries Management,
 Dept. Zoology & Physiology, University of Wyoming

Undergraduate mentees

2018-2020 Nathan Barrus
 2019-2020 Russell Brubaker
 2018-2019 Reilly Davis
 2017 Brynn Hirschman
 2017 Austin Jacobson
 2016 Shaun Helsper
 2016-2017 Travis Allison
 2016 Andrew Annear
 2015 Jake Werner

SPECIALIZED SKILLS & TRAININGS

Project Management

University, state, and federal agency collaborations, hiring and training of personnel, budgeting and supplies management, data management and analysis, protocol development, land-owner contacts and site selection.

Leadership Training

2021 Equity and Inclusion Workshop (3 workshops over 3 months), EQT By Design via WI Sea Grant
 2008 Leave No Trace Master Educator, Center for Outdoor Ethics, NOLS
 2007 Environmental Ethics. University of Utah and NOLS
 2007 Group Leadership Skills. University of Utah and NOLS

Software Competency

- Operating systems: MacOS, Windows OS
- Programming languages: R, Python, C++, SQL, VisualBasic, HTML
- Relational database management: Oracle, MS SQL Server, PostgreSQL, SQLite, MS Access
- Geographic Information Systems: QGIS, ESRI ArcMap
- GPS systems/navigation software.

Field and Lab Skills

- >17 years of field experience in diverse regions (Caribbean, Adirondacks, Great Lakes, North Canadian Boreal Forest, Northern/Southern Rocky Mountain backcountry, Pacific Northwest).
- Broad basic and applied background in natural history, especially freshwater fishes, benthic invertebrates, aquatic birds, trees, and fungi)
- Piloting (150+ days) and trailering small vessels (to 40')
- Trap nets, gill nets, fyke nets, seines, set lines, trawling, benthic dredges, boat, raft, and backpack electrofishing, fish tagging (visible implant (VIE), coded wire, PIT, T-bar/dart floy tags), gastric lavage, tissue biopsy, benthic invertebrate collections, plankton tows, sediment coring systems, environmental and water quality data collection
- Flight experience (Bell and Robinson helicopters, Banff AB)
- Molecular techniques (DNA extraction, PCR)
- Fishing, backcountry travel, orienteering (map, compass, GPS and Trimble)

- Light machinery operation, small power equipment repair, minor electrical repair, handiwork

Certifications

2020 Advanced CPR, American Red Cross
 2014 Wilderness Advanced First Aid, Raven Rescue, Wilderness Medical Associated International
 2018 Avalanche Safety Level 1, National Ski Patrol
 2013 Electrofishing certificate, Alberta Provincial Standard
 2013 ATV Training Certificate, Canada Safety Counsel
 2012 MOCC Federal motor boat operator, US Department of Interior

COMMUNITY SERVICE AND OUTREACH

2016-2020 Science outreach and stream ecology field trips, Laramie High School
 2016-2019 Group leader, Wyoming Bio-Blitz, Biodiversity Institute, University of Wyoming
 2016-2018 Big Brother, Big Brothers Big Sisters of Wyoming
 2017 Habitat restoration project, Girl Scouts of America
 2016-2017 Science judge, Wyoming State Science Fair

PRE-DOCTORAL RESEARCH & FIELD EXPERIENCE

2015-2020 **Ph.D. Student.** University of Wyoming. Experience with formulating and designing a research program; laboratory diet-switch experiments; building and maintaining partnerships with agency and non-governmental organizations; providing technical leadership, advisory, planning and reviewing services for undergraduate students; preparing and publishing results and findings in high impact journals; mentoring undergraduate students. Became proficient in statistical software R, including mastery of mixed-effects and generalized mixed models, and data management.

2013-2015 **M.Sc. Student.** University of Alberta. Surveyed 66 remote stream sites in the Alberta’s Northern Boreal Forest. Experience with backpack electrofishing, habitat surveys, public relations, industry relations, and road crossing inspections. Became proficient in ArcGIS, linear and non-linear modeling, and multivariate statistics.

2014 **Research Technician.** Upper Athabasca River Oil Sands Project. Served as boat electrofishing pilot (Smith-Root GPP, 20 ft.) for fish community surveys and sample collections on the upper Athabasca River near Fort McMurray, Alberta.

2013-2014 **Research Technician.** Aquatics Division, Parks Canada, Banff, AB, CAN. Experience traveling in helicopters, developing logistics for field work over mountainous terrain, and collecting limnological data from high elevation lakes in Banff National Park.

2011-2013 **Fisheries Research Technician.** USGS Great Lakes Science Center, Ann Arbor, MI. Conducted research investigating the proliferation of botulinum toxin (type E) in the Great Lakes. Fieldwork consisted of extended deployments (~2-3 weeks/mo.)

to Leland, MI, where data were collected in offshore waters near Sleeping Bear Dunes National Lakeshore. Extensively piloted 30' research vessel for sample collection and SCUBA support. Managed three crew members as field supervisor. Deployed gill nets, set lines, plankton tows, and benthic dredges. Maintained, serviced, and deployed multi-parameter datalogging sondes.

- 2011 **Laboratory Assistant.** Conservation Genetics Lab, SUNY—ESF. Experience extracting and amplifying DNA samples, and running gel electrophoresis.
- 2010 **Laboratory Assistant.** Aquatic Ecology Lab, SUNY—ESF. Experience sorting benthic samples and identifying invertebrates to family.
- 2009-2010 **Research Technician.** SUNY—ESF Thousand Island Biological Research Station, Clayton, NY. Daily navigation and sampling high-traffic reaches of the St. Lawrence River. Continued ongoing muskellunge monitoring program, including trap-netting for genetic samples, gastric lavage, aging and reproductive stage assessment, and seining YOY for recruitment index. Assessed fish communities via trap-netting, seining, and boat electrofishing. Maintained four research vessels (12-19'), vehicles, ATVs, sampling equipment, and field station. Assisted NYDEC with gillnet survey on Lake Ontario aboard the R/V Seth Green (46').
